

BuildBase™

SALES

BuildBase Sales allows you to sell a home from the palm of your hand. Alleviate the frustration of inconsistent pricing, uncertain sales statuses, and time-consuming contract generation with a responsive web-based solution and mobile app that creates transparency between your office and sales team.

BuildBase Sales allows you to sell a home from the palm of your hand.

BuildBase Sales is your ultimate mobile on-the-go solution to new home sales. The easy-to-follow contract generation wizard makes training new sales members effortless and allows your team to spend less time on paperwork and more time with the homebuyer. Streamline the way your sales team works with a simple dashboard that places all the information they need to know at the tip of their fingers.

When combined with BuildBase Docs and BuildBase Construct, you get a powerful solution that gives your sales team and customers all the information that they need, where they need it, when they need it.
